

# About ACLED

ACLED provides accurate data and analysis on political violence and protest worldwide.

[Our impact](#) [Our team](#) [Local networks](#) [Careers](#) [History](#) [Press and media](#) [Contact](#) [Events & Webinars](#)

ACLED (Armed Conflict Location & Event Data) is an independent, impartial global monitor that collects, analyses, and maps data on conflict and protest. ACLED provides detailed information to help identify, understand, and track patterns and trends in conflict and crisis situations around the world.

## Funding

ACLED is a registered non-profit organization with 501(c)(3) status in the United States. ACLED receives financial support from the [United Nations Complex Risk Analytics Fund \(CRAF'd\)](#).
